Enroll for eStatements

Select the eStatements tab from the menu bar.

The first time you click on the eStatements tab you'll be presented with an enrollment screen.

Step 1 (optional)

Click **Details** to see which accounts and document types you can enroll.

Remove the check boxes from any documents you wish to receive on paper.

Step 2

Make sure your email address is correct. If no email is listed, you must fill one in.

Step 3

Enter a word or words that you will recognize. This is called your eStatement security phrase. Emails from us regarding eStatements will contain this phrase.

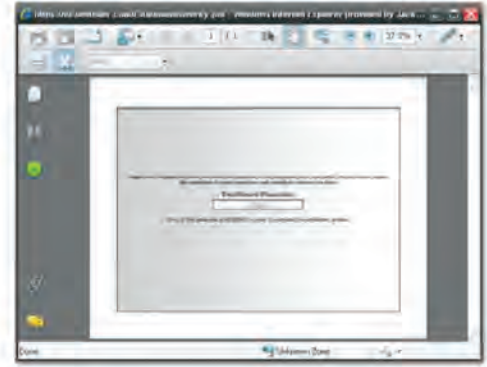

Step 4

This step is your key to knowing if you'll be able to read eStatements online. You must have Adobe® Reader® 6.0 or higher installed on your computer to use the service.

First, click where it says [click here](#). This will open an Adobe PDF document in a new window.

In the center of the PDF you will see a passcode word. This word is case-sensitive. Make a note of the passcode.

Then return to the enrollment screen and type the passcode into Step 4.

Step 5

Read our terms and conditions then check the box that says "I agree." Finish by clicking the submit button.

To see a sample statement, click the link in the lower right hand corner.

Confirmation

You'll receive an email from us any time you enroll or un-enroll.

All emails from us regarding eStatements will contain the security phrase you created.
